HOLIDAY HOME WORK

Class : 5th

**Sweet as a berry, Summer is merry
Cool fruits and lemonade
A memory that will never fade
Vacations are always FUN
Remember not to go out in the sun!**

Hi Dear _____

Summers are here in all its glory. And if summers are here holidays can't be too far behind. It's time to enjoy your vacations with family and friends. It is also time to learn new things from your surroundings and experiences. Explore new places, listen to stories, try new skills, draw and colour, play both indoor and outdoor games and keep yourself fit. We wish you an enjoyable and fun packed summer break **from Monday May 22nd, 2023.**

**We will meet again after the vacation on Monday 3rd July, 2023.
Remember to bring along your Holiday Homework Notebook.**

Happy Holidays!

DRAWING ACTIVITY

Class 5th - (Students are to draw ~~one~~ patterns/scenery painting using complementary & analogous colours (both each).

Complementary and Analogous Colours

Complementary Colours

The colours opposite to each other in a colour wheel are complementary colours. They 'complement' and balance each other and look beautiful when used together!

Red — Green,
Blue — Orange, and
Yellow — Violet
are complementary colours.

Analogous Colours

The colours that lie adjacent to each other in the colour wheel are analogous colours. Look at the primary and secondary colour wheel again.

Red — Orange,
Yellow — Orange,
Green — Yellow, and
Blue — Green
are analogous colours.

In both these examples complementary colours have been used to colour the leaves and the background.

In both these examples analogous colours have been used to colour the leaves and the background.
